ADMISSION REQUIREMENTS

Please include the following materials with this form:
(Acceptance is based on an evaluation of these materials, and how well they demonstrate your potential for the program.)

1 Portfolio
(Required for: 2D/3D Character Animation, Game Art & Design, Professional Photography, and Visual Effects for Film & TV)

- **12 examples of your best artwork**
  Your portfolio should represent your current skill level, whatever that may be.

- **How to send your portfolio**
  We prefer 12 pages combined into one PDF, or separate JPEGS in a compressed folder and e-mailed to your admissions advisor (or admissions@vanarts.com). Alternatively, you can also upload your 12 images to ArtStation and email us a link.

- **Additional Guidelines**
  Program specific guidelines are available at vanarts.com/admission-requirements.

Audition
(Required for: Acting for Film & TV)

- **2 audition pieces required**
  Contrasting monologues (must be from a play), 1 contemporary and 1 Shakespeare, or 2 Contemporary (1 dramatic and 1 comedic). Each piece should be no longer than 2 minutes; the applicant should know both monologues without the use of text (on paper or computer). Audition can be done in-person, over Zoom, or pre-recorded and submitted as a video file (through WeTransfer).

Note: Portfolios/Auditions are *not* required for admission into our Web Development & Design or Art Foundation programs. If you have a diploma or degree related to the program you are applying for, a portfolio or audition is also not required. You have satisfied that requirement with your previous post-secondary education.
